Participation Statement:

I am applying to join the Lanchester Mountaineering Club. I recognise that climbing and mountaineering are activities with danger of personal injury or death. In participating in these activities I am aware and accept these risks, and am responsible for my own actions and involvement. I have read the club constitution and agree to be bound by it and any subsequent amendments to it. If I have any medical condition or am taking any medication whilst on a club activity, I will ensure that a member of the immediate group is aware in case of an accident occurring. I have informed my next of kin of my involvement with this club, and of the precise contents of this participation statement.

Membership of the Lanchester Mountaineering Club will expire on 30th September 2012 unless renewed.
